Self-Certification of Rule Amendment Under § 40.6(a): Fee Schedule

Dear Secretary Kirkpatrick:

RTX Fintech & Research LLC (RTX SEF) intends to implement an amended fee schedule under 17 CFR § 40.6(a) on November 2, 2023. This fee schedule replaces the one that RTX SEF submitted to the Commission on October 3, 2023 (which went into effect on October 18, 2023).

Attachment A contains the amended fee schedule (version 1.2); *Attachment B*, an annotated version of the amended fee schedule (indicating deletions and additions); and *Attachment C*, a copy of RTX SEF's request for confidential treatment.

Below is the concise explanation and analysis that the Commission requires under § 40.6(a)(7)(v). This fee schedule amends the dues, fees, and other charges that RTX SEF imposes for the swap-execution-facility services it provides. Its general purpose is to differentiate RTX SEF as a swap execution facility to better attract liquidity to its electronic and voice markets; in operation, RTX SEF will use the amended fee schedule to charge Participants for its services, which should attract liquidity to its markets.

The amended fee schedule complies with both the Commodity Exchange Act (Act) and Commission's regulations. Specifically, it complies with Core Principle 2 (Compliance with Rules) and § 37.202 because it adheres to open-access principles and promotes a fair, transparent platform.

No one has expressed any substantive opposing views to the rule amendment that RTX SEF has not incorporated into the rule.

Finally, on behalf of RTX SEF, I certify the following:

1. RTX SEF has posted on its website a notice of pending certification with the Commission and a copy of this submission (redacted).
2. The amended rule complies with the Act and the Commission's regulations.

If you have any questions about this submission, please contact me.

Sincerely yours,

A handwritten signature in black ink that reads "Glenn Chaleff". The signature is fluid and cursive, with the first name "Glenn" and last name "Chaleff" clearly distinguishable.
